### **OYSTERS**

- Remove plastic lid
- Place on oven proof tray
- Place in oven and heat through completely until;
- Bacon is crispy for Kilpatrick
- Cheese is golden for Mornay

### **Vegetables**

All veg has been either blanched or pre-cooked. Will need reheating via preferred methods. Either microwave, oven or hot water bath

### **Beef Wellington**

- Pre-heat oven to 180°C
- Remove plastic lid and place in the oven
- Bake until pastry is golden brown
- Remove from oven, being careful as container may be hot to touch

### **Garlic Prawn Fettuccini**

- Remove plastic lid and place container in the microwave, or alternatively empty contents into a microwave safe dish to reheat
- Can also be emptied into a non stick pan and heated over low to med heat stirring periodically to prevent sticking

All meals are pre-cooked and require reheating via preferred suitable methods

Thank you for your ongoing support through these challenging times.
